*Young sailors must be able to swim at least 50 yards, in the bay, without a life jacket. They must also be able to right a capsized boat (Open Bic) without assistance. Children who are unable to pass the swim test and/or capsize tests will not be allowed to continue in the program. The swim and capsize tests are given on the morning of the first day of camp, in the area off the dock in front of the Club.

YES/NO. Does your child have any prior sailing experience? If so, please give a brief description.

Wetsuits and life jackets are required items. The water in Monterey Bay averages 54 degrees and requires wetsuits even on warm days. It is best if a wetsuit fits the child; have your child try on the wetsuit before purchase! Wetsuits are available for rental at Monterey Bay Kayaks, Sunshine Freestyle, On the Beach, and other local stores. Inexpensive wetsuits are available at many sporting goods and discount stores. The club has life jackets to loan, if necessary.

A lunch should be brought every day. The Club offers a sit-down lunch on Thursdays from 11:30-1:30, and parents are encouraged to join their children for this meal. The cost can be charged to the member's account (**prompt payment of club bills is required; delinquent accounts will not be allowed charging privileges**). Cash and checks are also accepted.

I acknowledge that pictures may be taken during the program. I do not ___/I do ___ give the Monterey Peninsula Yacht Club permission to use any pictures that may be taken of my child for program promotions.
